SAONER PUBLIC SCHOOL

Annual report:

"May be there is a road ahead of it, May be there is a new world down the road, Walking forth is the only plight,

Because we didn't come this far to come this far only "

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

PARENTS ORIENTATION PROGRAMME:

As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of classes I to X. The programme made the parents aware of the scheme of education we impart here at our school. Query-resolving session by our Manager Dr Pratibha Jiwatode illuminated the path of positive parenting.

INFRASTRUCTURE DEVELOPMENTS:

1. Purchased server computer this year for children.
2. Ramp with steel railing as per CBSE guidelines.
3. Western Toilet on every floor.

CAPACITY BUILDING PROGRAM FOR TEACHERS:

With the sole purpose of updating teachers' knowledge, our teachers are made a part of the training sessions and workshops happening at other schools. Our teachers attended various workshops on various ACADEMIC SUBJECTS. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

SCHOOL APP:

Keeping ourselves up with the pace of the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community.

Having the school completely digitized has innumerous advantages to the parents, teachers and the school itself. Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the SCHOOL APP on Android.

COMPETITIONS:

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter-school, inter-house and inter-class competitions such as debates, Vad-Vivaad Pratiyogita, Shlok Competition, Quiz, Rangoli, Declamation, Creative-Writing, Drawing and Power-Point competitions. Our students took part in various inter-school level Competitions.
